

CURRICULUM VITA
(REVISED MAY 28, 2003)

Warren S. Browner, MD, MPH

CURRENT POSITION

Vice-President Academic Affairs
Scientific Director, Research Institute
California Pacific Medical Center
2340 Clay Street, Room 114
San Francisco, CA 94115

Phone: (415) 600-1400
FAX: (415) 885-8686
email: warren@cooper.cpmc.org

Professor of Medicine, and Epidemiology & Biostatistics (adjunct)
School of Medicine
University of California at San Francisco

EDUCATION

Harvard College, Cambridge, MA	AB
University of California, San Francisco	MD
University of California, Berkeley	MPH (Epidemiology)

LICENSES, CERTIFICATIONS, ETC.

Medical license, California
Certified, American Board of Internal Medicine

PREVIOUS POSITIONS (all at Univ. of Calif., San Francisco)

Resident in Medicine

A.W. Mellon Scholar in Clinical Epidemiology

Staff physician, San Francisco Department of Veterans Affairs Medical Center

1985-90	Assistant Professor of Medicine in Residence
1986-90	...of Epidemiology and Biostatistics
1990	...of Anesthesia

1990-94	Program Director, Research Fellowship in General Internal Medicine
1990-96	Director, VA Component, RWJ Clinical Scholars Program
1991-97	Associate Professor of Medicine, Epidemiology and Biostatistics, and Anesthesia in Residence
1997-00	Professor of Medicine, Epidemiology and Biostatistics, and Anesthesia in residence
1998-99	Acting Chief, Medical Service, SFDVAMC
1999-00	Acting Chief (Academic Affairs), Medical Service, SFDVAMC

HONORS AND AWARDS

1979	AOA
1979	Fife Scholarship in Internal Medicine
1988	UCSF Academic Senate, Distinguished Teaching Award
1989	UCSF "125 Distinguished Employees"
1990	American Federation for Clinical Research: Nellie Westerman Prize (honorable mention)
1992-4	Nominee, Outstanding Lecture, UCSF Medicine I Teaching Award
1993	Nominee, UCSF Kaiser Teaching Award
1993	Finalist, SFDVAMC Merv Goldman Teaching Award
2000	Pecoraro Lecturer, Department of Medicine, University of Washington

PROFESSIONAL ACTIVITY

Professional Organizations:

1983-	California Medical Association
1986-	Society of General Internal Medicine
1988-94	American Federation for Clinical Research
1992-	Western Society for Clinical Investigation
1994-	Western Association of Physicians
1995-	American Society for Bone and Mineral Research
1997-	Council of Biology Editors

Executive Editor:

1997-	American Journal of Medicine
-------	------------------------------

Editorial Board (statistician):

1993-97	Anesthesiology
---------	----------------

Editorial Council:

1997 Western Journal of Medicine

Editorial Board:

1999- Clinical Evidence (British Medical Journal/ACP/ASIM)

Research Associate:

1994- National Bureau of Economic Research (Program on Health Care)

Study section member:

1994-98 Health Services Research, Agency for Health Care Policy and Research

Member, Data Monitoring Board:

1995-0 VA Cooperative Study #407 (Prostate Cancer Intervention versus Observation Trial)

Member:

2001- Cooperative Studies Evaluation Committee, VA

Board of Directors:

2001- Bay Area Biosciences Center

Member:

2001- Association of Health Care Executives

Ad hoc reviewer:

JAMA, N Engl J Med, Am J Epidemiol, J Bone Min Res

INVITED NATIONAL PRESENTATIONS

1985 NHLBI Workshop on Heavy Smoking.

1987 NHLBI Workshop on Antihypertensive Drug Treatment, "Effect of risk status on treatment criteria: implications of hypertension trials."

1990 NHLBI Workshop on Costs and Health Implications of Cholesterol-Lowering, "What if Americans ate less fat? A quantitative estimate of the effect on mortality."

1991 Society of General Internal Medicine Annual Meeting, "Pre-course on Research Design." Course Director

1992 Society of General Internal Medicine Annual Meeting, "Screening for Hypercholesterolemia"

- 1995 Society of General Internal Medicine Annual Meeting, “Measuring Risk”
- 1996 Society for Epidemiologic Research, visiting professor, student research workshop
- 1996 Society of General Internal Medicine Annual Meeting, “Diagnostic Tests”
- 1997 Society of General Internal Medicine Annual Meeting, “Screening for Hypercholesterolemia”
- 1998 National Osteoporosis Foundation, Fourth International Symposium, “The Relationship between Osteoporosis and Other Diseases: Clinical and Biological Implications”
- 1998 American Society of Hypertension, “Screening for Hypercholesterolemia in Young Adults,” symposium
- 1999 Society of General Internal Medicine Annual Meeting, “Presenting Clinical Research”
- 1999 NHLBI-NIAMS Working Group, “New Evidence Connecting Cardiovascular Disease and Osteoporosis”

ACTIVE PUBLICLY FUNDED RESEARCH AND TRAINING PROGRAMS

1. NIH R01 AG05407 Risk Factors for Hip and Colles Fractures

P.I.: Steve Cummings, MD

Period: 2/1/86 - 4/30/04

Total direct costs: \$7,710,198 (study-wide)

A multicenter prospective study of the predictors of osteoporotic fractures in a cohort of 9704 elderly women.

2.. VA Epidemiology Merit Review. Depression and Coronary Heart Disease.

P.I.: Mary Whooley, MD

Period: 10/1/98 - 9/30/03

Total direct costs: \$931,300

A cohort study to determine why depression is associated with a worse prognosis in patients with heart disease.

3. NIA RO1 AG18717: A consortium to investigate human longevity and frailty.

P.I.: Steve Cummings, M.D.; Co-P.I.: Warren Browner, M.D.

Period: 9/30/00 - 6/30/03

Total direct costs: \$931,000

A consortium of longitudinal studies that will identify genetic markers for longevity.
